Mike Acott, President

To Whom It May Concern:

I would like to share with you the valuable contribution Tom Butler made to our Awards Breakfast Ceremony during our recent annual Convention.

Tom was well prepared and had an excellent selection of music to enhance the presentation of the awards. He suggested appropriate music to represent the award recipients and effectively used short medleys to fill in some of the program's gaps. Tom also handled some last second changes to the program in a highly professional manner. He was always on cue and never interfered with the flow of the program.

I was most impressed with his work and would highly recommend him for similar engagements.

Sincerely,

Nick Yaksich

Director of Governmental Affairs
